

Menphys Saturday Fusion Club

Admission Guidelines

The Menphys Saturday Fusion Club aims to be an inclusive club for young people between the ages of 16 and 25 years with any additional needs or disabilities.

Unfortunately, at this time, we are unable to meet some support needs due to the limitations of our club venue and where staff are not trained to meet a specific need.

The support needs, which we currently cannot meet, are:

- Health care tasks which require specific training and staff assessment
- The administration of medication, the exception being inhalers
- Moving and Handling which requires the use of a hoist or other physical intervention that our staff have not received training to support
- Personal care unless it can be delivered within a standard sized disabled toilet. A changing bench is not available
- Behaviours that challenge which may require physical intervention from the staff to keep the Club Member and others safe.

Before it is concluded that the Menphys Saturday Club is unable to accept a young person into The Fusion Club due to their support needs, every attempt will be made to resolve difficulties by working in partnership with the parent/carer or other agencies.
